

Teen Outback

"Just keep swimming."

BIG CHANGES

Welcome, Kelly Kluesner!

As the Teen Outback continues to grow, we need all hands on deck! We are excited to welcome Kelly Kluesner to the Teen Outback team as our new Events Coordinator. Kelly will be in charge of brainstorming new events with the Teen Advisory Councils, arranging chaperones, and leading the monthly events held at our facility.

If you are a regular volunteer, please introduce yourself to Kelly and please share your contact information with her.

Kelly is a resident of Huntingburg and an employee of Kimball International. She has a history with art and crafts, technology, and has a bubbly personality we are sure the kids will eat up! Please help us in welcoming her to her new position!

TRIVIA NIGHT SUCCESS

We couldn't have done it without donors like you!

Trivia Night 2019 was our biggest year yet and we couldn't have done it without the support of our incredible community. We were able to raise over \$19,000!

Attendance was at an all-time high this year, with over 50 teams registered to compete. We have already reserved the date for next year and are excited to continue to bring this event to our community.

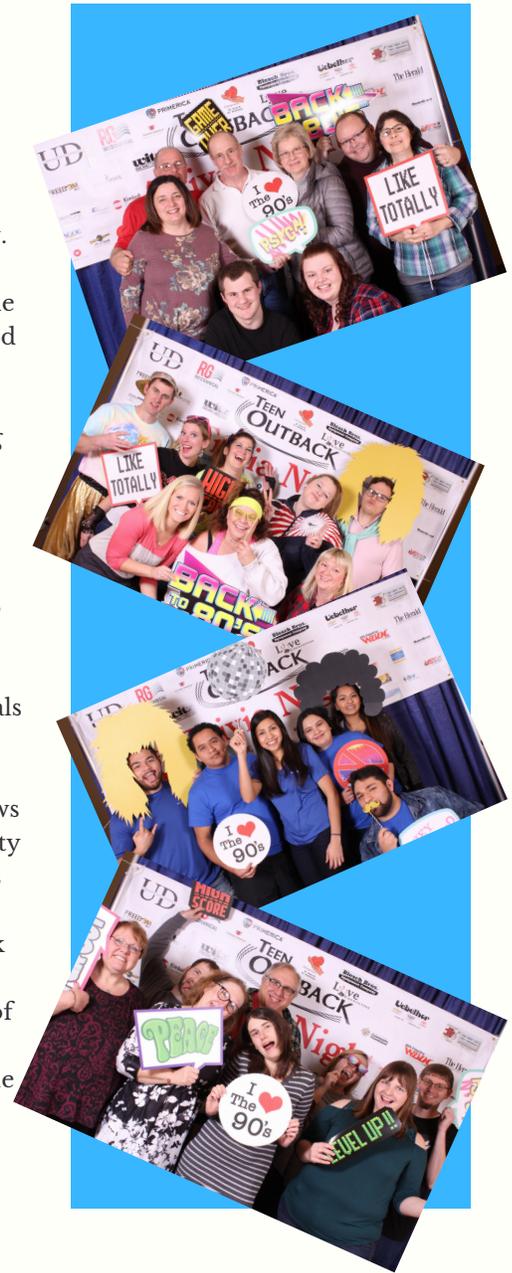

We owe a huge thank you to Kurt and Shannon Fuhs. Without them, this night would not be possible. Thank you both for your guidance in the planning process as well as taking the reigns during the event. We are sure no one could handle the crowd quite like Kurt does!

Also, many thanks to our wonderful friends at ALASI and Tri Kappa for generously volunteering their time to help as graders and runners. We couldn't do it without you all!

With the funds raised this year, we are excited to be able to provide even more great events for the youth of our community. Already this year, we have been able to bring laser tag twice to the Teen Outback as well as free food provided at multiple events.

As we look forward, the building has multiple updates it needs such as roof repairs, but we also want to try some new projects and activities for the kids. We have teamed up with the FEEDS program for the summer to provide free meals and hope to bring free events with those meals to promote healthy living.

The money raised not only allows us to continue running the facility and providing fun opportunities for the youth of the area, but it also allows us to put money back into our own endowment. This endowment ensures the future of the Teen Outback and thanks to your generous giving, we are able to stay a financially stable organization.

Upcoming Events

JOIN US FOR MEMORIAL HOSPITAL'S

SPRING BREAK SAFE SITTER CLASS

Friday, March 29th
9am-3pm
at the Teen Outback

BRING A SACK LUNCH
A SNACK WILL BE PROVIDED
