SWEET SUMMER TIME

SUMMER FEEDING & HEALTHY LIVING

This summer kicked off with our Summer Feeding Program sponsored by the Tri-State Food Bank. This program provides free meals for all children 18 and under every Tuesday. We are so grateful to Subway for working with us to provide the meals every week.

Children receive a free sandwich, applesauce, two vegetables, and milk each time they join us.

We also added events following each meal and we are so appreciative of the volunteers who gave up a Tuesday afternoon to teach new skills!

WHAT'S HAPPENIN'

SAFESITTER-ELVIS-LASER TAG-MORE!

It's been a busy few months at the Teen Outback! We hosted a Safesitter course for middle school age youth to learn how to safely babysit this summer, through the generosity of Memorial Hospital. In March, we welcomed GamerzTruck back to provide Laser Tag for our elementary age youth. In April, we hosted a Spring Fever Fest with s'mores, limbo, giant Jenga, and lots of fun! May was a busy time with our Retro Summer Social to celebrate the end of school where even Elvis made an appearance.

Southridge High School used our facility the last week of school to host a celebration for students with no infractions, as well as the graduate lunch catered by Meyer Catering.

It's been such a great kick off to summer and we are excited to keep providing new and interesting events for the youth of our area!

DUBOIS REC GRANT

KIDCHECK IS HAPPENING!

We are so thankful to Dubois REC for their generous sponsorship our KidCheck system.

KidCheck is a simple app used on a desktop computer at the front door of the Teen Outback. Parents will use this to check in their children, list allergies, special instructions, and more. Older children will be able to check themselves into the system.

We are excited to utilize this system to help us better care for our most precious resource: Your children.
